

SUPER FOAM™

Antimicrobial Foaming Hand Soap

CONTAINS: Chloroxylenol (PCMX) 0.5%

WENCO® SUPER FOAM™ is the next generation of personal care products. Its high foaming characteristics allows the end-user to use less product. When used through the foaming dispenser, you can see the foam magically “grow” from the first squirt in your hand. No messy dripping as you apply it to hands, hair or body. SUPER FOAM™ contains high concentrations of PCMX, an extremely effective antimicrobial agent. For use in shower and rest room facilities in schools, athletic clubs, nursing homes and other public facilities. pH balanced and gentle on the skin. Rinses freely with water.

ITEM# FCSUPFOAM

SUPER FOAM™
Antimicrobial Foaming Hand Soap

DIRECTIONS FOR USE

1. Wet hands with water.
2. Dispense a small amount of **SUPER FOAM™** into hands and rub together.
